# Engineers, who are they?

Info day

# Industrial engineer or professional bachelor inTechnology?

#### 73 meter lang, 24 meter hoog en een reikwijdte van 15.000 kilometer

# Vlaming bouwt mee aan supervliegtuig

TOULOUSE - De langverwachte take-off van het grootste vliegtuig ter wereld, met ruimte voor maar liefst 800 passagiers, is eindelijk in zicht. "De vuurdoop van het eerste pro-

sche vliegtuig ooit ontworpen. Het maakt de helft minder geluid bij het opstijgen."
