

AGREEMENT BETWEEN DELCAM PLC

AND

ZAPOROZHSKY NATIONAL TECHNICAL UNIVERSITY

- A/ Delcam has agreed to licence the University to use its software as listed in the Licence Certificate under the financial agreements described in the Appendix.
- B/ University accepts the software for demonstrations and training students and specialists of the organisation.
- C/ The University will establish a Training Centre for teaching Delcam CAD/CAM software to students. The University shall make available a computer room with all necessary hardware and a separate room with phone/fax to accommodate the support staff and for conducting consultations and providing technical support to the customers in the region.
- D/ Delcam and the University agree the following conditions:
- 1/ The licence granted is a non-exclusive, non-transferrable, and non-assignable licence to use Delcam software.
 - 2/ The University will protect Delcam's copyrights and agrees to take reasonable measures to prevent the use of unlicensed copies.
 - 3/ With the help of Delcam and its representative in Ukraine the "CAD/CAM Centre" to ensure its staff are adequately trained to teach students in the use of the software supplied under this agreements.
 - 4/ Not to use the software for any other purpose other than demonstration and training without the agreement of Delcam.
 - 5/ To produce training programmes for the students and to make this material available to Delcam. Delcam also agrees to provide any training materials it has to the University
 - 6/ To help Delcam representative in Ukraine the "CAD/CAM Centre" to organise seminars in conjunction with its local offices and when requested to produce articles describing particularly novel and interesting applications.
